

# PFAS-Free Paper Straws

## Specifications

| Diameter | pcs/pack | packs/box |
|----------|----------|-----------|
| Ø 6mm    | 200      | 20        |
| Ø 8mm    | 200      | 15        |
| Ø 12mm   | 125      | 16        |

- Each straw is packed with a paper wrap. (printable)
- **Length:** 21 cm.
- **Material:** No plastic coating paper.
- **Paper Original Source:** Indonesia, Made in Taiwan.
- **Heat-Resistance:** Up to 60°C.
- **Storage:** Room temperature for 2 years.

## Water-Resistant

Better water resistance than regular paper straws, and less likely to soften or shed.

## Puncture Force

One-piece pointed design makes it easy to pierce through even the thickest paper sealing films.

## Certifications
